

MORDIVINIAN STAR

Follow the numerical sequence. Bring the needle up at 1 and down at 2. Numbers 1-16 establish the diamond shape. Numbers 1-8 are worked diagonally in a clockwise direction. Numbers 9-16 are worked in a counter clockwise direction. Numbers 17-24 are worked by coming up in the center and crossing the threads diagonally to the 17-24 positions. Numbers 25-32 complete the star. These stitches run parallel to the fabric threads.
